

# Memorial Hall of Fame Nomination Form

The purpose of this special award is to posthumously recognize persons who lived or worked in the State of New York and have achieved prominence for their excellence in achieving outstanding and lasting contributions to the advancement of recreation and parks on the local, state, and/or national levels. Through this medium, we will pay tribute to these individuals so they may serve as shining examples and symbols for future generations.

## CRITERIA FOR MEMORIAL HALL OF FAME NOMINEES:

1. Nominees will be considered for their contributions to the recreation and park field on the local, state, and/or national levels. These contributions should be of long term impact upon the recreation and park movement.
2. Nominees are to be residents of/or worked in the State of New York at the time of prominence.
3. No nominee will be considered until at least one year following their death. This is a posthumous honor. The name, biography and photo of the honoree will be added to the Memorial Hall of Fame and displayed at the 2024 Annual Conference and all subsequent conferences and exhibitions.
